

Photos

We often put photos of the athletes on our website, social media and in promotional material. If you don't want your child's photo taken, please let us know.

Wet Weather

Members will be notified by 7:15am Saturday morning's, at the very latest, if we need to cancel club competition due to weather. We will put a post on Facebook so please check before you leave. Where possible an email will be sent out.

Age Group Help

Some age groups are really short on parents. If you have multiple children at the club, please see where you may be needed most. We also want to remind everyone that athletes must have a parent or guardian at the field at all times. If you have multiple children, please let the age managers know that you are there and what group you are with.

Patch Sewing Service

Patch sewing is available. \$20 for all 3 patches to be sewn on or \$10 just for the new Age Patch. Cash preferred for sewing service. Please see Amanda J in the canteen if interested.

Uniforms

While participating, children are required to wear the club uniform. This includes a club top, plain black bottoms and all 3 patches secured to the uniform.

BBQ Roster

The BBQ roster will commence this week. **U7 Boy** parents, it's your time to shine. Could a volunteer please see us in the canteen after announcements.

Club Training

Club training with Coach Andrew is held each Thursday @ 4pm. These skill sessions focus on field events, with a different event each week. There is no cost to fully registered MLA athletes.

Code of Conduct

Our club has always had a supportive, friendly and inclusive culture. We strongly encourage cheering (not aggressive behaviour) and place high importance on providing a positive environment, ensuring that enjoyment comes first. Good sportsmanship should always be at the forefront. We have a zero tolerance policy for any behaviour (by athletes or adults) that goes against these values. Click to view the [**LAQ Zero Tolerance Policy**](#).

Please scroll down to Page 2 for our MLA Code of Conduct. During the registration process, each family had to view and accept the terms of this policy in order to proceed with their child's registration. We kindly ask members to re-read this policy and help us continue to be a place where everyone is comfortable.

It is also worth mentioning that our club is run entirely by volunteers. Questions and feedback are always welcome. Hostility, criticism, foul language and aggression are not.
